

Ultra-thin feelfresh insoles

feel GOOD –
feel FLAWA

Ultra-thin and ultra-good

Twenty years of experience and constant development have made FLAWA ultra-thin feelfresh insoles what they are today: the leading product for fresh feet. For every day and everyone.

With FLAWA ultra-thin feelfresh insoles you can offer your customers a first-class Swiss quality product. Not for nothing have studies attested top-level satisfaction, customer loyalty and regular repeat purchases. Anyone who has experienced FLAWA ultra-thin feelfresh insoles does not want to do without them any more.

Eight advantages

Ultra-thin 1 mm thick, fits inside any shoe

Fresh fragrance Microencapsulated perfume for an unbeatable feeling of freshness and hygiene

Antimicrobial protection Inhibits the growth of bacteria and limits the formation of odours

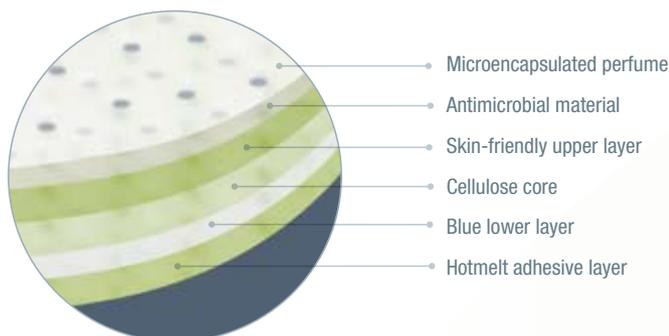

Air-permeable Their special structure allows the air to circulate

Perspiration-absorption Natural cellulose retains moisture

Easily fixed in place The underside of the insole ensures a perfect grip inside the shoe

For every season A feeling of freshness, hygiene and well-being is in demand all year round

Seven sizes Your customers will always find the right size, with no need for any trimming

Assortment

feel GOOD – feel FLAWA

For over 100 years FLAWA has been producing only one thing: premium quality. From the careful selection of the raw materials followed by efficient production processes, right through to punctual delivery to our customers, we set ourselves very high quality standards.

The benefits of this approach are felt by our customers all over the world, for whom we are a competent partner. Together with them, we develop innovative products for personal hygiene for entirely satisfied consumers. Our catchphrase, “Feel GOOD – feel FLAWA”, is perceived by us as both a duty and a promise. Thanks to typically Swiss features such as reliability, probity and integrity, combined with our own special dynamism, innovative force and enthusiasm, we make sure that both you and your customers are equally pleased. With our made-to-measure solutions based on excellent FLAWA premium quality, our products can be customised very rapidly to meet your specific requirements.

For this reason is FLAWA an OEM partner of world-wide established brands. For this reason do our long-term customers include leading international trade chains. They trust our know-how. They appreciate our efficient manufacturing procedures. They benefit from our great flexibility. Working with FLAWA gives them a good feeling!
